

What makes APSRC so *different?*

It all comes down to quality.

The Arkansas Public School Resource Center was created to provide educational support services and technical assistance to charter schools and rural school districts.

In addition, APSRC serves as an advocate for quality education, provides professional development training and offers resources to all educational stakeholders to provide accurate, current information about best practices and policy information.

We expect our members to provide the highest quality of

education, and we give them the resources and support to do just that.

APSRC Corporate Sponsorship acknowledges your business or organization is committed to quality and ensures you are recognized by education leaders and decision makers as a leading vendor in the education community.

Our members need everything from pencils and financial services to lawnmowers and sports equipment.

Becoming an APSRC Corporate Sponsor will immediately expand your customer base! ■

Why APSRC?

Because charter schools and rural school districts account for more than 80 percent of schools in Arkansas!

SPONSOR *Benefits*

Because you deserve the best.

Being an APSRC Corporate Sponsor is an opportunity you don't want to miss! From our Web site to our annual conference, corporate sponsorship puts your business in front of the entire Arkansas education community. You will have access to superintendents, teachers, support staff and other administrators. ■
