

Certificate in Android Development

Android Development Overview

Android Development will teach students to design and develop Android apps for smartphones and tablets.

Following completion, students will receive a Certificate in Android Development.*

**Upon approval by ADHE in July 2021.*

Course Structure

The nine-month program consists of three asynchronous online courses taught in a seven-week format.

Students will take two courses in the fall semester and one course in the spring. Each week students will have modules to work through. At the conclusion of the final course, students will have created a final project, such as an application.

Course Schedule

COURSE I:
DIGI 2013
Introduction to
Coding with Kotlin
for Android

COURSE II:
DIGI 3013
Intermediate
Coding with Kotlin
for Android

COURSE III:
DIGI 4013
Advanced Studio
in Android
Development

What is UPSKILL?

Upskill is an online learning opportunity administered by Arkansas State University for high school students who desire to develop a variety of in-demand job skills. This program offers students an affordable, flexible and convenient learning experience in which they can develop skills to expand their future opportunities in a growing digital world.

Visit AState.edu/UpSkill for more information!

UpSkill Course Breakdown

What Courses Will I Be Taking?

The courses included in the UpSkill Android Development program are Introduction to Coding with Kotlin for Android, Intermediate Coding with Kotlin for Android, and Advanced Studio in Android Development. Each course is a prerequisite to the next until all courses are completed.

What Does It Take To Enroll?

All students must have a **minimum ACT composite score of 19, an ACT reading score of 19, completion of the 8th grade, Submissions of the electronic A-State CEP Parental Consent Form, and a 2.75 high school grade point average for admission to the CEP.** An ASPIRE reading score of 428 (9th or 10th grade test scores) may be used as an equivalent for the ACT. An Accuplacer Reading score of 253 may be used as an equivalent for the ACT. This course is also open to all high school students who meet the previously stated requirements.

Computer and Software Requirements

Students will just need a working computer, either PC or Apple, manufactured within the last seven years (I-Pads, tablets, and Chromebooks are not compatible). Android Studio is required and is available as a free download from Google. Adobe XD is required and is available as a free starter program, but can be upgraded to a paid plan.

How Do I Apply?

Open-enrollment schools interested in participating in this grant program must call the Arkansas Public School Resource Center at (501)492-4300 to complete a Memorandum of Understanding (MOU) no later than August 6, 2021. Once the MOU is complete, students will complete an application for admission.

First time applicants for admission go to [AState.edu/Concurrent](https://www.astate.edu/concurrent).

Returning students should contact the Concurrent Enrollment Program at CEP@AState.edu or call (870)680-8365 for registration information.

When Do I Enroll?

FALL 2021 SESSION I- August 24 - October 8

Registration completed by August 24

Last day to drop is September 24

FALL 2021 SESSION II- October 18 - December 10

Registration completed by October 18

Last day to drop is November 26

SPRING 2022 SESSION III- January 11 - February 25

Registration completed by January 11

Last day to drop is February 11
